The second option will pave only Cook Farm Rd. and Drake Hill Rd. After discussion regarding using money from the Highway Reserve Fund, Jack made a motion to approve Curtis’ second option using $10,000 from the Highway Reserve Fund and $20,000 from taxation, Sara seconded the motion and all were in favor. Curtis left the meeting.

Highway Reserve Fund:

Joe thought the highway reserve fund should be built up for future maintenance projects over and above the regular road agent budget, noting the condition of a few bridges on the state’s report. Sara agreed saying an article should be placed on the warrant this year. Joe mentioned the possibility of obtaining a bond in the meanwhile so some of the maintenance
work isn’t delayed. Joe made a motion to create a warrant article to place $20,000 into the highway reserve fund, Sara seconded the motion and all were in favor. Sara made a motion to start the process of obtaining a bond, Joe seconded the motion and all were in favor.
