Brian Taylor (Health Officer):

Brian has contacted Rick Treiss of NHDES. Rick could not attend the Selectmen meeting but called in during the meeting. After Jack spoke on the phone to Rick Treiss, a meeting has been scheduled for Tuesday, March 30 at 10:00 a.m. to inspect certain areas of the town with potential health problems. Brian will also invite Louise Hanlon of NH Department of Health and Human Services. Brian told the Board he would like to come up with a procedure for dealing with problems and create continuity for the whole town, not just one portion.

Brian cited another ongoing problem in town, which is the growing number of camping trailers being used for housing, in addition to dilapidated buildings and trailers. His concern is again to establish a protocol with continuity.

Brian concluded by telling the Board that June Garneau of North Country Council, will be holding an all hazard mitigation meeting next Wednesday at 5:00 p.m.

The AA informed the Board that they had scheduled another tour of the town for that day at 3:45 and it would not be ample time to get back for the all hazard mitigation meeting. Jack made a motion to move the Selectmen meeting from 3:45 p.m. to 2:45 p.m. on Wednesday, March 31, Joe seconded the motion and all were in favor.

Brian asked the Board if he should move forward with hiring contractors to begin work on the Chapel. Jack suggested that he wait until we receive the funds from the NH Charitable Foundation.

At 5:20 p.m., Jack made a motion to adjourn, Joe seconded the motion and all were in favor.

Respectfully Submitted,
